

COUNTY OF SANTA BARBARA MULCH PROGRAM

FREE "LOAD YOUR OWN" OR \$10/TON DELIVERED

The County of Santa Barbara's 'Natural Mulch' is an ideal mulching product that is manufactured from 100% local recycled materials. Using mulch in your garden saves water and completes the local green waste recycling loop.

NATURAL MULCH BENEFITS

- Conserves moisture in the soil
- Moderates soil temperature
- Blocks weed growth
- Reduces erosion
- Improves soil structure and fertility over time

HOW DO I GET IT?

- Small amounts: "load your own" pile at the South Coast Recycling and Transfer Station.
- Large amounts: can be delivered for as little as \$10/ton* or can be loaded into trucks at two locations for a small fee:
 - South Coast Recycling and Transfer Station
 - Santa Ynez Valley Recycling and Transfer Station

*Santa Barbara City water customers can arrange for free delivery.

For more information call Joey Costa at 681-4981 or visit us online at www.LessIsMore.org/Mulch
