

The Safe Disposal of Drugs

Accumulation of unused medications is dangerous for children, pets, seniors & teens

Improper disposal of leftover medications contaminates our water & environment

The County of Santa Barbara is exploring these issues and we want your ideas, suggestions, and solutions for establishment of a convenient drug collection program.

Please join us for a community meeting

Tuesday, July 14, 2015 in Santa Barbara at the Public Health Department Auditorium, 300 N. San Antonio Road, 6:00 pm

OR

Thursday, July 16, 2015 in Santa Maria at the Public Library
421 S. McClelland Street, 6:00 pm

Santa Barbara County Public Health Department
