

**Tour Date:** _____**Tour Time:** _____ **Note: If you arrive to the entrance more than 10 minutes late you will not be able to join the group tour. We must enter together and the guide must account for all visitors.**

The Education Team is looking forward to meeting you during your upcoming tour of the County's ReSource Center and Tajiguas Landfill! Free group tours are offered to adults that live in the waste-shed of the facility. If you live in the cities of Santa Barbara, Goleta, Buellton, Solvang, parts of Santa Ynez Valley, as well as many unincorporated areas on the south coast; your waste is coming here! Waste is managed much differently in other parts of the area and we want the presented information to be relevant to all visitors.

We encourage carpooling to the site. We have a maximum number of 5 cars per group allowed inside the entrance due to limited parking at the Education Center (we may park a few cars before the entrance and consolidate into fewer cars).

Please bring the printed and signed liability waiver with you to the tour. We will also bring extra copies if you forget.

Complete tour information and details are available at www.lessismore.org/resourcecenter
