Step 1: Go to the following website.

www.lessismore.org/payment

The page should look like this.

The screenshot shows the website interface for the Santa Barbara County Public Works Department. At the top, there is a dark blue header with the Santa Barbara County logo and the text "SANTA BARBARA COUNTY HOME". Below this is a lighter blue banner with the "PUBLIC WORKS DEPARTMENT" logo and a "Select Language" dropdown menu. A navigation bar contains links for "PUBLIC WORKS HOME", "ABOUT US", "DIVISIONS", "HOW DO I?", "NEWS & EVENTS", and "CONTACT US".

The main content area features the "pw" logo and the text "Welcome to Public Works Department RR&WMD Online Payment Portals". Below this, a paragraph states: "For Waste Haulers, Mulch Customers, Compost Bins and **Hazardous Waste Center Business Customers**, there is No login necessary to make a payment online. Payments made and authorized shall be deemed received on the date the payment transaction was completed. Payments are processed and authorized securely by [Heartland Payment Systems](#). Select a button below to start payment process."

Under the heading "Payment Types Accepted:", there are icons for VISA, MasterCard, American Express, and Discover.

A subsequent paragraph reads: "Waste Haulers, Account Holders, Mulch and Business Hazardous Waste customers will need your Customer ID or Invoice Number found on your statement to begin payment transaction. Now available: Pay Online for Discount Compost Bins offered for Pickup at the New Cuyama Transfer Station".

Two main action buttons are displayed: "Have an access code? Enroll here." (with a blue arrow pointing right) and "And registered Account Holders login here." Below these, the word "OR" is centered, followed by a button labeled "Make Payment without Login or Access Code".

At the bottom, a box titled "Need assistance or information on electronic payment?" provides contact information: "Contact Us: at PW_RRWM_AR@countyofsb.org / Phn: (805) 882-3626". It also lists the address: "Send payment to: County of Santa Barbara, Public Works Department, P.O. Box 90942, Santa Barbara, CA 93190-0942".

Step 2: Click on “Make Payment without Login or Access Code”.

The screenshot shows the Public Works Department website. At the top, there is a navigation bar with 'SANTA BARBARA COUNTY HOME' and 'PUBLIC WORKS DEPARTMENT'. Below this is a header with logos and a 'Select Language' dropdown. A secondary navigation bar contains links for 'PUBLIC WORKS HOME', 'ABOUT US', 'DIVISIONS', 'HOW DO I?', 'NEWS & EVENTS', and 'CONTACT US'. The main content area features the 'pw' logo and a welcome message: 'Welcome to Public Works Department RR&WMD Online Payment Portals'. A paragraph explains that no login is necessary for certain customers. Below this, 'Payment Types Accepted' are listed with logos for VISA, MasterCard, and American Express. A note states that waste haulers and hazardous waste customers need a Customer ID or Invoice Number. A 'Now available' note mentions 'Pay Online for Discount Compost Bins offered for Pickup at the New Cuyama Transfer Station'. A navigation menu offers three options: 'Have an access code? Enroll here.', 'And registered Account Holders login here.', and 'Make Payment without Login or Access Code'. A red arrow points to the third option. A contact information box at the bottom provides an email (PW_RRWM_AR@countyofsb.org), phone number (805) 882-3626, and mailing address: County of Santa Barbara, Public Works Department, P.O. Box 90942, Santa Barbara, CA 93190-0942.

Step 3: Click on “New Cuyama Transfer Station Compost Bins”.

This screenshot shows the same website as Step 2, but with the 'Making a Payment without Login or Access Code' option selected. A red arrow points to the 'New Cuyama Transfer Station Compost Bins' radio button under the 'Select Type of Payment:' section. The other two radio buttons, 'Waste Hauler or Account Holder' and 'Business Hazardous Waste or Mulch Sales', are unselected. The rest of the page content, including the navigation bars, logos, and contact information, remains the same as in the previous screenshot.

Step 4: Carefully read the notice in red. Fill out the required billing information, including Customer Name and Number of Compost Bin(s) to be purchased. When finished filling out this information, click “Verify this Billing”.
